TRUSTEES' REPORT FOR THE YEAR ENDED 31 AUGUST 2023

The Trustees present their annual report together with the financial statements and auditors' report of the Charitable Company for the year ended 31 August 2023. The annual report serves the purpose of both a Trustees' report, and a Directors' report under company law.

The Trust operates a secondary academy for pupils aged 11 to 16 serving a catchment covering the Dorset area. It has a pupil capacity of 375 and had a roll of 345 in the school census on May 2023.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution

The Academy Trust is a company limited by guarantee and an exempt charity. The Charitable Company's Memorandum and Articles of Association are the primary governing documents of the Academy Trust. The Trustees of Kingston Maurward Studio School Limited are also the directors of the Charitable Company for the purposes of company law. The Charitable Company operates as Dorset Studio School.

Details of the Trustees who served throughout the 2022/23, and to the date the accounts are approved are included in the Reference and Administration Details.

Trustees' Liability

Each Trustee of the Charitable Company undertakes to contribute to the assets of the Company in the event of it being wound up while he/she is a Trustee, or within one year after he/she ceases to be a Trustee, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they cease to be a Trustee.

Method of recruitment and appointment or election of Trustees

The management of the Academy is the responsibility of the Trustees who are elected and co-opted under the terms of the Articles of Association. The Members may appoint staff Governors through such process as they may determine, provided that the total number of Trustees (including the Principal who are employees of the Academy Trust does not exceed one third of the total number of Trustees.

Policies and Procedures adopted for the Induction and Training of Trustees

Trustees are inducted and offered training and mentorship to enable them to enact their duties to the best of their ability.

Organisational Structure

The Trustees shall exercise their powers and functions with a view to fulfilling a largely strategic role in the running of the Academy and shall consider any advice given by the Principal. The Principal is responsible for the internal organisation, management and control of the Studio School; and for advising on and implementing the Studio School's strategic framework. In particular the Principal will formulate aims and objectives, polies and targets for the Board to consider applying.

The Principal is the Accounting Officer.

Arrangements for setting pay and remuneration of key management personnel

The reimbursement of the Principal and Accounting Officer is reviewed and agreed by the Members of the Studio School.

The remuneration of the Senior Leadership Team is reviewed and agreed annually by the Trustees of the Studio School.

Related Parties and other Connected Charities and Organisations

Kingston Maurward Studio School is jointly sponsored by Kingston Maurward College and Thomas Hardye School, both organisations are based in Dorchester.

The Studio School is located within the estate of Kingston Maurward College and operates from a school built on land leased from the College under a long-term agreement.

A Service Level Agreement has been put in place to enable Kingston Maurwood Studio School to access the Kingston Maurward site and share many of its facilities.

OBJECTIVES AND ACTIVITIES

Objects and Aims

The Studio School's object is to advance for the public benefit education in the United Kingdom. In particular but without prejudice to the generality of the foregoing by establishing, maintaining, carrying on, managing and developing a school offering a broad and balance curriculum in conjunction with a land-based specialism

Objectives. Strategies and Activities

The Studio School attracts students from a wide geographical area extending to Castle Cary in the North, Swanage & Portland in the South, Axminster in the West and Christchurch in the East. It is the preferred option for those pupils interested in land-based subjects and the outdoors.

The Studio School intends to ensure that all students go into employment, further/higher education or training. The strategy to achieve this in due course will include alumni with talks from past students inspiring current students.

Public Benefit

The vision is for students to be inspired by the relevance and challenge of solving real-life industrial and community problems. They will rapidly gain the confidence and technical and personal skills to become the creative contributors on whom our businesses and public services can rely for shaping and driving the future of our society. In setting our objectives and planning our activities the trustees have given careful consideration to the Charity Commission's general guidance on public benefit.

The Trustees confirm that they have complied with the duty in Section 17(5) of the Charities Act 2011 to have due regard to the Charity Commissioner's general guidance on public benefit in exercising their powers or duties. They have referred to this guidance when reviewing the Academy's aims and objectives and in planning its future activities.

<u>Going Concern</u>

As described in note 1.2 to the financial statements, the Trustees expect a merger of Kingston Maurward Studio School with Wessex MAT to take place within 12 months of the date of this report, having received approval by the South-West Advisory Board. At that date, Kingston Maurward Studio School will transfer its academy, together with all its assets and liabilities, to the Wessex MAT. From that date, the Trust will cease activities. Accordingly, these accounts are prepared on a basis other than that of a going concern.

FINANCIAL REVIEW

The objective for the 2022/23 financial year was to establish the Studio School in its main building and operating a split site on the Poundbury estate. This arrangement provided sufficient accommodation for the number of students but is not a sustainable solution for the future as numbers continue to increase. In addition, travel between sites makes constraints on the timetable, which will not be sustainable over time.

For the year the operating deficit, which excludes depreciation and FRS 102 pension transactions, was £167K (2022- surplus £175K). The depreciation in the year was £180K (2022 - £137K) and the non-cash FRS 102 charges relating to the Local Government Pension Scheme were £11K (2022 - £155K). Total funds at the year-end were £3,003K (2022 - £3,208K).

Reserves Policy

The policy of the Trustees is that the Academy plans to spend the vast majority of its revenue income each year on the pupils in its care; but also, to maintain a level of free reserves that will be adequate to provide a stable base for the continuing operation of the academy whilst ensuring that excessive funds are not accumulated. The level of reserves required will be reviewed each year by the Trustees.

The overall contingency funds include the Unrestricted Reserve and the amount available from Restricted GAG fund. The school will seek to maintain total unrestricted reserves plus GAG funds of between 8 - 10% of annual revenue. The Trustees review the reserve levels of the academy annually. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of reserves.

As at the Balance Sheet date the contingency funds were £520,762 which all related to Restricted GAG fund.

These reserves will provide a cushion to deal with unexpected emergencies such as urgent maintenance, as well as sums that are set aside from this year for planned replacement of capital items.

Investment Policy

The Trustees are firmly committed to ensuring that all funds under their control are administered under a risk adverse investment strategy. As such the Trustees do not consider the investment of surplus funds as a primary activity, but rather a requirement for the effective management of the various funds entrusted to the Board.

PRINCIPAL RISKS AND UNCERTAINTIES

During the financial year there were the following risks and risk management strategies relating to the school.

1. Health, Safety and Welfare

The School has a good health and safety record, however the type and range of activities undertaken means that this remains an area of focus for the School. This risk is mitigated by:

• Health, Safety and Welfare policies and procedures implemented

- Roles of the Health and Safety management team clearly defined
- Ensuring all staff have completed health & safety and E&D training
- 2. Failure to avoid a breach of Safeguarding

The School has a very good safeguarding record; however, a significant incident could have a high impact in respect of the School's reputation. This risk is mitigated by:

- Safeguarding policy and procedures being implemented
- Role of Safeguarding Officer clearly defined
- An increase in the number of safeguarding officers to incorporate the split site arrangements.
- Ensuring all staff have completed safeguarding training
- 3. Failure to increase the school buildings resources

Although the School started in new buildings in 2015, the size of the original building accommodates 170 students but the Funding Level Agreement is for 375. A second site was opened in 2021, which has enabled the school to continue to operate. However, the issue of overcrowding still exists and the combined accommodation over both sites still does not provide the necessary capacity to accommodate the expected growth in student numbers. This risk is mitigated by:

- Development of a coherent explanation as to why the current buildings are not fit for purpose
- Identifying building expansion solutions in conjunction with The DfE.
- Continued Application to Complex Capital Team to address the need for expansion
- Adapting the timetable to enable staff to travel between sites, for the benefit of the students.

4. Student Recruitment

Failure to recruit planned number of students would affect funding received from the Education and Skills Funding Agency. This risk is mitigated by:

- A comprehensive marketing strategy
- School liaison activities
- The provision of county wide transport
- Continuing to develop a specialist provision that meets the needs of a rural community.
- 5. Failure to Maintain Financial Viability

In common with all public sector organisations the School faces challenges in respect of its funding. However, the school remains financially viable. This risk is mitigated by:

- A rigorous budget setting process;
- Timely reporting of financial information and management accounts;
- Regular cash flow reporting;
- Adherence to financial regulations and procedures.

The Board is responsible for ensuring that the Trust's Estate is compliant with relevant legislation, safe and well maintained. Risks arising from estates are managed by the estates team at Kingston Maurward College and the risks are documented on the Risk Register which is regularly reviewed by Trustees at the Board meetings. The key risks identified in relation to Estates are overcrowding, the rural location and planning constraints. As part of the Estates Risk Management, a set of controls are put in place to mitigate and lower the risk and impact of the individual risks identified on the register including monitoring of the in year school admissions within KS3.

Plans for Future Periods

The Studio School seeks to increase the choice, relevancy and economic value of learning and skills development for young people aged 11 to 16. Dorset possesses a highly valued environment which is a significant economic strength that needs to be sustained whilst providing a context for growth.

Located in the heart of this rural county, the Studio School specialises in Environment and Land- based curriculum areas, exploring how the land works to deliver educational excellence and opportunity by making the most of our rich natural resources, while responding to employer and wider community needs.

This will be achieved by implementing a curriculum offer that includes:

- GCSE English Language, Literature, Maths, Geography and double/triple Sciences
- 3 Vocational L2 qualifications
- Preparation for real work experience
- Personal, moral, social and cultural understanding
- Enrichment opportunities

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware.
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The auditors, Bishop Fleming LLP, are willing to continue in office and a resolution to appoint them will be proposed at the annual general meeting.

The Trustees' Report, incorporating a strategic report, was approved by order of the Board of Trustees, as the company directors, on/.4./.1.2./.2.3.....and signed on its behalf by:

san

A Daw Chair of Trustees Date: 14/12/2023

GOVERNANCE STATEMENT FOR THE YEAR ENDED 31 AUGUST 2023

SCOPE OF RESPONSIBILITY

As Trustees we acknowledge we have overall responsibility for ensuring that Kingston Maurward Studio School Ltd has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Board of Trustees has delegated the day-to-day responsibility to the Principal, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Kingston Maurward Studio School Ltd and the Secretary of State for Education.

They are also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

GOVERNANCE

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The Board of Trustees has formally met 5 times during the year. Attendance during the year at meetings of the Board of Trustees was as follows:

Trustee	Istee Meetings attended	
	MEETINGS ATTENDED	TOTAL MEETINGS HELD WHILST IN POST
Kaye Chittenden	4	5
Andy Daw	5	5
Mark Gibbens	5	5
David Humphreys	3	5
Rosie Pike	3	5
Joanne Manley	2	5

The Studio School has endeavoured to conduct its business:

- In accordance with the Articles of Association agreed 14 November 2012;
- In accordance with the seven principles identified by the Committee in Standards in Public Life as detailed in the Code of Conduct adopted on 9 July 2015 and reviewed on 5 December 2019;
- In accordance with the DSS Standing Orders adopted on 24 September 2015 and reviewed on 5 December 2019;
- Having due regard to the UK Corporate governance Code insofar as it is applicable to the Academy sector.

The governing board has met five times during the year and observed the following core strategic functions:

Establishing the strategic direction, by:

- Setting the vision, values, and objectives for the school;
- Agreeing the school improvement strategy with priorities and targets;
- Meeting statutory duties.

Ensuring accountability, by:

- Appointing the Principal;
- Monitoring progress towards targets;
- Performance managing the Principal;
- Engaging with stakeholders;
- Contributing to school self-evaluation.

GOVERNANCE STATEMENT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

Ensuring financial probity, by:

- Setting the budget;
- Monitoring spending against budget;
- Ensuring value for money is obtained;
- Ensuring risks to the organisation are managed.

Every Member and Trustee of the Dorset Studio School has access to an online portal Governors' Virtual Office (GVO) where they have been provided with regular and timely information on the financial performance of the Studio School together with other information such as performance against funding targets, quality, curriculum and personnel matters. Formal papers and reports are supplied to the Trustees in a timely manner, prior to Board meetings via the GVO system.

The Trustees have agreed to fulfil all their duties as a Full Board, rather than any delegation to Committees, which will be reviewed as the Studio School grows. An Audit & Finance Committee has been established for and met 2 times within 2022/23 academic year. Full minutes of all meetings are published on the school website www.dorsetstudioschool.co.uk and are also available from the Clerk to the Studio School at Kingston Maurward College, Dorchester, Dorset DT2 8PY.

The Clerk has maintained a register of financial and personal interests of the Trustees, and it is available for inspection at the above address.

Governance Review

Review of Value for Monev

As Accounting Officer, the Executive Principal has responsibility for ensuring that the Academy trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes, as well as estates safety and management, achieved in return for the taxpayer resources received.

The Accounting Officer considers how the trust's use of its resources has provided good value for money during each academic year, and reports to the board of trustees where value for money can be improved, including the use of benchmarking data where appropriate. The accounting officer for the Academy Trust ensures value for money is delivered adopting the following principles:

Challenge - why, how and by whom and activity is carried out; Compare - performance against other schools; Consult - involving stakeholders, pupils and parents; Compete - as a means of securing efficient and effective services.

The Purpose of the System of Internal Control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of academy trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Kingston Maurward Studio School Limited for the year 1 September 2022 to 31 August 2023 and up to the date of approval of the annual report and financial statements.

GOVERNANCE STATEMENT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

Capacity to Handle Risk

The board of trustees has reviewed the key risks to which the Academy is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of trustees is of the view that there is a formal on-going process for identifying, evaluating and managing the Academy's significant risks that has been in place for the year 1 September 2022 to 31 August 2023 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of trustees.

The Risk and Control Framework

The Academy trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties of delegation and accountability. In particular it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of trustees;
- regular reviews by the Responsible Officer of reports which indicate financial performance against the
- forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- delegation of authority and segregation of duties;
- identification and management of risks.

A specific Governance Review was carried out by Internal Auditors, European Electronique in 2023. The Trustees will appoint a new internal auditor to carry out a program of internal checks in 2023/24.

The Audit and Risk Committee is a sub-committee of the main Board of Trustees. Its purpose is to ensure the integrity of the financial reporting and audit process and to oversee the maintenance of sound internal control and risk management systems.

Trustee	Meetings attended	Out of a possible
NAME OF TRUSTEE	MEETINGS ATTENDED	TOTAL MEETINGS HELD WHILST IN POST
Andy Daw	2	2
Dr Annetta Minard	2	2
Kaye Chittenden	1	2
Mark Gibbens	1	2

Attendance at meetings in the year was as follows:

REVIEW OF EFFECTIVENESS

As Accounting Officer, the Executive Principal has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal, and external auditors;
- the financial management and governance self-assessment process;
- the work of the executive managers within the Academy who have responsibility for the development and maintenance of the internal control framework.

GOVERNANCE STATEMENT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

The accounting officer will be advised of the implications of the result of the review of the system of internal control by the Responsible Officer and a plan to address weaknesses and ensure continuous improvement of the system will be put in place.

Approved by order of the members of the Board of Trustees and signed on their behalf by:

A Daw Chair of Trustees Date:14/12/2023

Accounting Officer Date:14/12/2023

STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE

As accounting officer of Kingston Maurward Studio School Limited, I have considered my responsibility to notify the Academy Trust Board of Trustees and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding, including for estates safety and management, under the funding agreement between the Academy Trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academy Trust Handbook 2022, including responsibilities for estates safety and management.

I confirm that I and the Academy Trust Board of Trustees are able to identify any material irregular or improper use of all funds by the Academy Trust, or material non-compliance with the terms and conditions of funding under the Academy Trust's funding agreement and the Academy Trust Handbook 2022.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Board of Trustees and ESFA.

P Green Accounting Officer Date: 14/12/2023

STATEMENT OF TRUSTEES' RESPONSIBILITIES FOR THE YEAR ENDED 31 AUGUST 2023

The Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial . Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by order of the members of the Board of Trustees and signed on its behalf by:

INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF KINGSTON MAURWARD STUDIO SCHOOL LIMITED

OPINION

We have audited the financial statements of Kingston Maurward Studio School Limited (the 'academy trust') for the year ended 31 August 2023 which comprise the Statement of Financial Activities (incorporating income and expenditure account), the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023 issued by the ESFA.

In our opinion the financial statements:

- give a true and fair view of the state of the Academy Trust's affairs as at 31 August 2023 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023 issued by the Education and Skills Funding Agency.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Academy Trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence have obtained is sufficient and appropriate to provide a basis for our opinion.

EMPHASIS OF MATTER

We draw attention to note 1.2 in the financial statements, which explains that the Academy Trust expects to cease to operate within 12 months of the date of signing of this report and will transfer all of its assets, liabilities and activities to Wessex MAT within this time period. Accordingly, the accounts have been prepared on a basis other than a going concern. Our opinion is not modified in respect of this matter.

OTHER INFORMATION

The other information comprises the information included in the Annual report other than the financial statements and our Auditors' report thereon. The Trustees are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If identify such material inconsistencies or apparent material misstatements, are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work have performed, conclude that there is a material misstatement of this other information, are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF KINGSTON MAURWARD STUDIO SCHOOL LIMITED (CONTINUED)

OPINION ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report (incorporating the Strategic Report and the Directors' Report) for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' Report has been prepared in accordance with applicable legal requirements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

In the light of our knowledge and understanding of the Academy Trust and its environment obtained in the course of the audit, have not identified material misstatements in the Trustees' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- have not received all the information and explanations require for our audit.

RESPONSIBILITIES OF TRUSTEES

As explained more fully in the Trustees' responsibilities statement, the Trustees (who are also the directors of the Academy Trust for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Academy Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Academy Trust or to cease operations, or have no realistic alternative but to do so.

INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF KINGSTON MAURWARD STUDIO SCHOOL LIMITED (CONTINUED)

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and noncompliance with laws and regulations, considered the following:

- the nature of the Academy sector, control environment and the Academy Trust's performance;
- results of our enquiries of management and the Trustee board, including the committees charged with governance over the Academy Trust's finance and control, about their own identification and assessment of the risks of irregularities;
- any matters identified having obtained and reviewed the Academy Trust's documentation of their policies and procedures relating to: identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of non-compliance; detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud; the internal controls established to mitigate risks of fraud or noncompliance with laws and regulations;
- how the Academy Trust ensured it met its obligations arising from it being financed by the ESFA and other funders, and as such material compliance with these obligations is required to ensure the Academy Trust will continue to receive its public funding and be authorised to operate, including around ensuring there is no material unauthorised use of funds and expenditure;
- how the Academy Trust ensured it met its obligations to its principal regulator, the Secretary of State for Education; and
- the matters discussed among the audit engagement team and involving relevant internal Academy specialists regarding how and where fraud might occur in the financial statements and any potential indicators of fraud.

As a result of these procedures, considered the opportunities and incentives that may exist within the organisation for fraud, which included incorrect recognition of revenue, management override of controls using manual journal entries, procurement and payroll. We identified the greatest potential for fraud as incorrect recognition of revenue and management override using manual journal entries.

We also obtained an understanding of the legal and regulatory frameworks that the Academy Trust operates in, focusing on provisions of those laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included the Academies Accounts Direction, Academies Financial Handbook, UK Companies Act and tax legislation.

In addition, considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental to the Academy Trust's ability to operate or to avoid a material penalty. These included safeguarding regulations, data protection regulations, occupational health and safety regulations, education and inspections legislation, building legislation and employment legislation.

INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF KINGSTON MAURWARD STUDIO SCHOOL LIMITED (CONTINUED)

Our procedures to respond to risks identified included the following:

- reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- reviewing the financial statement disclosures and testing to supporting documentation to assess the recognition of revenue;
- enquiring of Trustees and management and those charged with governance concerning actual and potential litigation and claims;
- performing substantive procedures to confirm material compliance with the requirements of its regulators;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks
 of material misstatement due to fraud;
- reading minutes of meetings of those charged with governance and reviewing internal control reports; and
- in addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; and assessing whether the judgements made in making accounting estimates are indicative of a potential bias.

We also communicated relevant identified laws and regulations and potential fraud risks to all engagement team members, and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

Our audit procedures were designed to respond to risks of material misstatement in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from an error, as fraud may involve deliberate concealment by, for example, forgery, misrepresentations or through collusion. There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely would become aware of it.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <u>www.frc.org.uk/auditorsresponsibilities</u>. This description forms part of our Auditors' report.

USE OF OUR REPORT

This report is made solely to the Academy Trust's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that might state to the Academy Trust's members those matters are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, do not accept or assume responsibility to anyone other than the Academy Trust and its members, as a body, for our audit work, for this report, or for the opinions have formed.

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO KINGSTON MAURWARD STUDIO SCHOOL LIMITED AND THE EDUCATION & SKILLS FUNDING AGENCY

In accordance with the terms of our engagement letter dated 25 August 2021 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2022 to 2023, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Kingston Maurward Studio School Limited during the year 1 September 2022 to 31 August 2023 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Kingston Maurward Studio School Limited and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Kingston Maurward Studio School Limited and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Kingston Maurward Studio School Limited and ESFA, for our work, for this report, or for the conclusion we have formed.

RESPECTIVE RESPONSIBILITIES OF KINGSTON MAURWARD STUDIO SCHOOL LIMITED'S ACCOUNTING OFFICER AND THE REPORTING ACCOUNTANT

The accounting officer is responsible, under the requirements of Kingston Maurward Studio School Limited's funding agreement with the Secretary of State for Education dated 28 January 2011 and the Academy Trust Handbook, extant from 1 September 2022, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2022 to 2023. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2022 to 31 August 2023 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

APPROACH

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy Trust's income and expenditure.

Our work on regularity included a review of the internal controls policies and procedures that have been implemented and an assessment of their design and effectiveness to understand how the academy complied with the framework of authorities. We also reviewed the reports commissioned by the trustees to assess the internal controls throughout the year.

In line with the Framework and guide for external auditors and reporting accountants of academy trusts issued April 2023, we have not performed any additional procedures regarding the Trust's compliance with safeguarding, health and safety and estates management.

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO KINGSTON MAURWARD STUDIO SCHOOL LIMITED AND THE EDUCATION & SKILLS FUNDING AGENCY (CONTINUED)

CONCLUSION

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2022 to 31 August 2023 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

1. ACCOUNTING POLICIES

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgments and key sources of estimation uncertainty, is set out below.

1.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements of the Academy Trust, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP 2019 (FRS 102)), the Academies Accounts Direction 2022 to 2023 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

Kingston Maurward Studio School Limited meets the definition of a public benefit entity under FRS 102.

1.2 GOING CONCERN

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Academy Trust to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements.

The Trustees expect a merger of Kingston Maurward Studio School with Wessex MAT to take place within 12 months of the date of this report, having received approval by the South-West Advisory Board. From that date, the Academy Trust will cease all activities. Accordingly, these accounts are prepared on a basis other than as a going concern.

However, given that the academy will be carried on by Wessex MAT and all assets and liabilities will be transferred at net book value, no adjustment to, or reclassification of, the amounts included in these accounts has been required.

1.3 INCOME

All incoming resources are recognised when the Academy Trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

Grants

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of financial activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2023

1. ACCOUNTING POLICIES (continued)

1.3 INCOME (CONTINUED)

• Sponsorship income

Sponsorship income provided to the Academy Trust which amounts to a donation is recognised in the Statement of financial activities in the year in which it is receivable (where there are no performance-related conditions) where receipt is probable and it can be measured reliably.

• Other income

Other income, including the hire of facilities, is recognised in the year it is receivable and to the extent the Academy Trust has provided the goods or services.

• Donated fixed assets (excluding transfers on conversion or into the Academy Trust)

Where the donated good is a fixed asset it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as 'Income from Donations and Capital Grants' and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the Academy Trust's accounting policies.

1.4 EXPENDITURE

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

• Charitable activities

These are costs incurred on the Academy Trust's educational operations, including support costs and costs relating to the governance of the Academy Trust apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

1.5 INTEREST RECEIVABLE

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Academy Trust; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

1.6 TAXATION

The Academy Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the Academy Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Part 11, chapter 3 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1. ACCOUNTING POLICIES (continued)

1.7 INTANGIBLE ASSETS

Intangible assets costing £500 or more are capitalised and recognised when future economic benefits are probable, and the cost or value of the asset can be measured reliably.

Intangible assets are initially recognised at cost and are subsequently measured at cost net of amortisation and any provision for impairment.

Amortisation is provided on intangible assets at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life.

Amortisation is provided on the following basis:

Website design - 25 % reducing balance

1.8 TANGIBLE FIXED ASSETS

Assets costing £500 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of financial activities and carried forward in the Balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of financial activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land and assets under construction, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Depreciation is provided on the following basis:

Long-term leasehold property	-	2% per annun		
Furniture and equipment	-	25%	per	annum
Computer equipment	-	33	% pe	r annum

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of financial activities.

1.9 STOCKS

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

1.10 DEBTORS

Trade and other debtors with no stated interest rate and due within one year are recorded at the amount of the cash or other consideration expected to be received. Prepayments are valued at the amount paid.

1. ACCOUNTING POLICIES (continued)

1.11 CASH AT BANK AND IN HAND

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account and cash on deposit that has a notice period of less than 30 days.

1.12 LIABILITIES

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Academy Trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.13 OPERATING LEASES

Rentals paid under operating leases are charged to the Statement of financial activities on a straightline basis over the lease term.

1.14 PENSIONS

Retirement benefits to employees of the Academy Trust are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the Academy Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1. ACCOUNTING POLICIES (continued)

1.15 FUND ACCOUNTING

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy Trust at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

Transfers are made between restricted funds and restricted fixed asset funds where restricted funds are used to purchase fixed assets.

2. CRITICAL ACCOUNTING ESTIMATES AND AREAS OF JUDGMENT

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Academy Trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 26, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2023. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Critical areas of judgment:

The Academy Trust obtaines use of fixed assets as a lessee. The classification of such leases as operating or finance leases requires the Academy Trust to determine, based on an evaluation of the terms and conditions of the arrangements, whether it retains or acquires the significant risks and rewards of ownership of these assets and accordingly whether the lease requires an asset and liability to be recognised in the Balance Sheet.

b. STAFF NUMBERS

The average number of persons employed by the Academy Trust during the year was as follows:

	2023 No.	2022 No.
Teachers	28	25
Administration and Support	44	42
Management	6	6
	78	73
The average headcount expressed as full-time equivalents was:		
	2023 No.	2022 No.
Teachers	27	23
Educational Support	14	16
Admin	7	5
Management	6	6
	54	50

11. STAFF (CONTINUED)

c. HIGHER PAID STAFF

The number of employees whose employee benefits (excluding employer pension and national insurance costs) exceeded £60,000 was:

	2023 No.	2022 No.
In the band £60,001 - £70,000	1	1
In the band £90,001 - £100,000	1	1

d. KEY MANAGEMENT PERSONNEL

The key management personnel of the Academy Trust comprise the Trustees and the senior management team as listed on page 1. The total amount of employee benefits (including employer pension contributions and employer national insurance contributions) received by key management personnel for their services to the Academy Trust was £521,337 (2022 - £483,438).

12. TRUSTEES' REMUNERATION AND EXPENSES

One or more Trustees has been paid remuneration or has received other benefits from an employment with the Academy Trust. The principal and other staff Trustees only receive remuneration in respect of services they provide undertaking the roles of principal and staff members under their contracts of employment. The value of Trustees' remuneration and other benefits was as follows: A Minard: Remuneration $\pounds 90,000 - \pounds 100,000$ (2022: $\pounds 90,000 - \pounds 100,000$), Employer's pension contributions $\pounds 20,000 - \pounds 25,000$ (2022: $\pounds 20,000 - \pounds 25,000$).

No other trustees were paid remuneration or received other benefits from an employment with the Trust.

During the year ended 31 August 2023, no Trustee expenses have been incurred (2022 - £NIL).

13. TRUSTEES' AND OFFICERS' INSURANCE

In accordance with normal commercial practice, the Academy Trust has purchased insurance to protect Trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business. The insurance provides unlimited cover on any one claim and the cost for the year ended 31 August 2023 was £7,434 (2022 - £6,821). The cost of this insurance is included in the total insurance cost.

19. STATEMENT OF FUNDS (CONTINUED)

The specific purposes for which the funds are to be applied are as follows:

UNRESTRICTED FUNDS

Unrestricted funds represent funds which may be used towards meeting any of the charitable objectives of the Trust at the discretion of the Trustees

RESTRICTED FUNDS

General Annual Grant (GAG) - Income from the ESFA which is to be used for the normal running costs of the Academy, including education and support costs.

Pupil Premium - Pupil premium represents funding received from the ESFA for children that qualify for free school meals to enable the Academy to address the current underlying inequalities between those children and their wealthier peers.

Other DfE/ESFA Grants - Other income from the ESFA including the Earmarked Annual Grant, Rates Reclaim and Mainstream School Additional Grant.

SEN Funding - Funding received by the Local Authority to fund further support for students with additional needs.

Pension reserve - This represents the Academy's share of the assets and liabilities in the Local Government Pension Scheme. As with most pension schemes this is currently in deficit due to an excess of scheme liabilities over scheme assets which was inherited on conversion to an Academy.

RESTRICTED FIXED ASSET FUNDS

DfE/ESFA Capital Grants - These funds are received from the DfE/ESFA for direct expenditure on fixed asset projects. The fixed asset fund balance at the year end represents the NBV of assets and any unspent grant amounts.

Other capital grants and donations - These funds were received from third parties for direct expenditure on fixed asset projects. The fixed asset fund balance at the year end represents the NBV of assets and any unspent grant amounts.

Frixed assets purchased from GAG - This represents assets purchased that have been funded from the school's GAG funding allocation.

Under the funding agreement with the Secretary of State, the Academy Trust was not subject to a limit on the amount of GAG it could carry forward at 31 August 2023.

19. STATEMENT OF FUNDS (CONTINUED)

Comparative information in respect of the preceding year is as follows:

26. PENSION COMMITMENTS

The Academy Trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Dorset County Council. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2019.

Contributions amounting to £51,650 were payable to the schemes at 31 August 2023 (2022 - £41,376) and are included within creditors.

TEACHERS' PENSION SCHEME

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

KINGSTON MAURWARD STUDIO SCHOOL LIMITED (A COMPANY LIMITED BY GUARANTEE)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2023

26. PENSION COMMITMENTS (CONTINUED)

VALUATION OF THE TEACHERS' PENSION SCHEME

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2020. The valuation report was published by the Department for Education on 26 October 2023. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 28.60% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £262,000 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £222,200 million, giving a notional past service deficit of £39,800 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 1.7% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2024 and effective until 31 March 2027.

The employer's pension costs paid to TPS in the year amounted to £348,997 (2022 - £281,618).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Academy Trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Academy Trust has set out above the information available on the scheme.

LOCAL GOVERNMENT PENSION SCHEME

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trusteeadministered funds. The total contribution made for the year ended 31 August 2023 was £150,000 (2022 -£112,000), of which employer's contributions totalled £120,000 (2022 - £88,000) and employees' contributions totalled £30,000 (2022 - £24,000). The agreed contribution rates for future years are 17.6 per cent for employers and 5.5 to 12.5 per cent for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

Benefits paid	(14,000)	(13,000)
-		
AT 31 AUGUST	634,000	625,000

26. PENSION COMMITMENTS (CONTINUED)

Changes in the fair value of the Academy Trust's share of scheme assets were as follows:

	2023 £	2022 £
AT 1 SEPTEMBER	479,000	399,000
Interest income	23,000	8,000
Actuarial losses	(74,000)	(27,000)
Employer contributions	120,000	88,000
Employee contributions	30,000	24,000
Benefits paid	(14,000)	(13,000)
AT 31 AUGUST	564,000	479,000

27. OPERATING LEASE COMMITMENTS

At 31 August 2023 the Academy Trust had commitments to make future minimum lease payments under non-cancellable operating leases as follows:

	2023 £	2022 £
Not later than 1 year	184,551	160,251
Later than 1 year and not later than 5 years	274,405	408,151
	458,956	568,402

28. MEMBERS' LIABILITY

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £NIL for the debts and liabilities contracted before he/she ceases to be a member.

29. RELATED PARTY TRANSACTIONS

Owing to the nature of the Academy Trust and the composition of the Board of Trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trustees have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the Academy Trust Handbook, including notifying the ESFA of all transactions made on or after 1 April 2019 and obtaining their approval where required, and with the Academy Trust's financial regulations and normal procurement procedures relating to connected and related party transactions.

No related party transactions took place in the year other than certain Trustees' remuneration and expenses already disclosed in note 12.
